Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

**URGENT**

**PETITION TO INVOKE THE SUPERVISORY AUTHORITY  
OF THE COMMISSIONER UNDER 37 CFR 1.181  
IN MATTERS NOT OTHERWISE PROVIDED FOR.  
TO WIT: REQUEST FOR NOTICE OF ALLOWANCE.**

Dear Sir:

With regard to the above-identified application, applicant petitions that (1) a notice of allowance be issued without further delay to applicant's attorney of record, pursuant to the current status of such application as displayed on PAIR, and (2) that such application's status be immediately communicated to applicant's attorney of record. Applicant further petitions that this action be taken by the Commissioner due to the inability to acquire status information after multiple telephonic requests made to the Examiner, the Examiner's supervisor, or the Commissioner's staff after applicant asked for status information.

**STATEMENT OF FACTS**

1. Applicant filed the above-identified non-provisional patent application on 2/10/01. Such application has been pending at least over 5 years.
2. After submitting a proper amendment of the claims on 2/17/06, an allowance was counted by the Examiner on 3/20/06 and thereafter noted on PAIR. See attached Appendix A.
3. Since 3/20/06, there has been no activity noted on PAIR. See Appendix B. Further, applicant's telephonic status calls to the Examiner and to the Examiner's

supervisor have not been returned. It has been at least *six months* since this application was acted on.

4. Applicant has attempted, *for several weeks* now, to get the status of the above-referenced application. Applicant has made multiple telephone calls to the Examiner, to the Examiner's supervisor, and to the Commissioner's office. The Examiner never returned our call, apparently choosing not to return our call. The Examiner's supervisor never returned our call, apparently choosing not to return our call.
5. The most recent calls, made since the week of 9/11/06, were to the Commissioner's office. The staff member at the Commissioner's office we spoke with promised to communicate to us the status of the application that same day, but reported that definitive status was not obtained.
6. As of 9/20/06, after additional telephonic calls to the Commissioner's office staff member were not returned within two days, such applicant still does not know the status of the above-identified application, and is being irreparably harmed by the unpredictability resulting from the lack of knowledge regarding the status of the above-identified application.

#### **RELIEF REQUESTED**

Applicant's application has an allowance counted pursuant to PAIR. Applicant has a right to know the status of applicant's application. Currently, the inability to predict the status of such application is irreparably harming Petitioner.

Therefore, applicant respectfully and earnestly requests that the Commissioner grant this petition under 37 CFR 1.181, issue applicant a notice of allowance without further delay, and communicate to applicant's attorney of record the status of this application.

Applicant hereby submits a petition under 37 CFR 1.181 to invoke the supervisory authority of the Commissioner. Please charge our Deposit Account No. 50-1887, referencing our Docket No. WC01520, in the amount of \$400.00 for the fee (37 C.F.R. 1.17(f)) using fee code 1462.

If appropriate and there have been errors on the part of the Patent Office, applicant respectfully requests a refund of the petition fee.

If there are any further fees necessitated by the foregoing communication please charge such fees to our Deposit Account No. 50-1887, referencing our Docket No. WC01520, or if the amount submitted herewith is greater than the amount required, please credit any overpayment to our Deposit Account No. 50-1887.

Respectfully submitted,

Date: 9/20/06
